# Headmaster's Report for Prize Day

## November 24, 1981

The school's choir blossomed during the 1980-81 school year under the leadership of Mr. Warren Jones. Since his appointment to the staff, the choir has performed with exceptional skill at many public appearances. They performed at the St. Paul A.M.E. church, at the Anglican Cathedral, were featured on ZFB Television's Christmas Programme and on ZBM's Radio Show, and was only high school choir invited to perform at City Hall during the Heritage Week Celebrations.

Several students received individual honours during the year and should be recognized for their achievements. These students and their achievements are:

1. In the Royal Gazette Christmas Short Story Contest, Mark Outerbridge won the Under 18 category, while Robin Todd received honourable mention.

2. In the Royal Commonwealth Society Essay Competition, all of our students who entered won prizes in the local competition. In the international competition, which attracted entries from thirty-four countries, three of our pupils were very successful. Mark Pettingill, Head Boy, was commended in Class A, Juliana Horseman was commended in Class C, and Tina Fountain was highly commended in Class C.

3. The Bermuda Spell Down Competition featured Robin Grey, Gina Trott and Karen Lines in the finals. Robin went on to place third in the overall competition.

4. Warwick Academy received favourable press coverage last January through the artistic achievements of Martin Shaffer and Dorothea King in the Commonwealth Art Exhibition held in London. Officials of the Commonwealth Institute presented Martin Shaffer and Dorothea with "Awards of Merit" as a result of the "Young Artists Exhibition - 1980". Martin's drawing entitled "Tools" and Dorothea's drawing entitled "Shoes" were part of a travelling exhibit that visited countries throughout the Commonwealth.

5. The annual Warwick Academy Declamation Contest was most successful. The winner of the competition was Jane Judson, our head prefect, who spoke on "If I Lived Long Ago." Marcus Jones, who was runner-up spoke on "Money is the Root of all Evil," and Julie Stanton, a first year pupil, placed third with her speech entitled "Running Away From Home".

6. An innovative concept in drug prevention, called the Listen America Pageant, has been developed and geared to high school students to shun drugs. Each student who participates makes a pledge not to use tobacco in any form, not to drink alcoholic beverages and not to use drugs for the purpose of getting high. Two of our pupils, Fiona Couper and Preston Swan, met with success in this event by representing Bermuda at the Regional Pageant in Albany, New York. Fiona went on to the National Listen America Pageant held in Hollywood, California where she met many television celebrities who saluted her for taking her stand against drugs.

Senator and Mrs. Jackson, distinguished guests, Mr. Bernardo, and members of the Board of Governors, friends, teachers and students.

It is my honour and pleasure during our annual Prize Day Ceremony to report on some of the highlights of the last school year, to give recognition to outstanding students, and to give thanks to groups who have made significant contributions to the school.

Warwick Academy continues to organise and administer a programme which affects the total development of the individual. Our formal curriculum is supported by an extensive extracurricular programme. This extracurricular programme, which usually occurs at lunch time, after 3:30 and on weekends, is available to every student and, in fact, is a necessary ingredient for the total development of each student. Sports, drama, music, debating, educational trips, newspaper and yearbook publications, student leadership roles such as prefects, house, form and team captains, laboratory, library, stockroom and office assistants, and numerous other responsibilities all help to make up our total programme.

Our pupils continue to do well in the University of London G.C.E. examinations, although there is still room for improvement. Unfortunately, some of our pupils are falling far short of their potential.

For the second consecutive year, a record number of examinations were passed by our pupils. They passed a total of 588 examinations out of a possible 897, representing a 66 percent pass rate. Of the twenty-two individual subjects written, only three had pass-rates below 50 percent, six had pass rates between 50 and 60 percent, and three had pass rates above 90 percent. Art and Biology pass rates were above 90 percent, with Chemistry receiving a perfect record of 100 percent, for the fourth consecutive year.

Of the seventy-five fifth year pupils sitting examinations, nineteen received ten or more passes.

At this time I would like to focus our attention on those students who

performed exceptionally well in our internal assessments. Last year twenty-one percent of our pupils attained academic honours. Of these, fifty-five percent earned honourable mention by attaining a 70-75 average in their studies. Thirty students attained second honours by achieving a 75-80 percent average and twenty-five pupils attained first honours by achieving a yearly average of over 80 percent.

It is a tradition at Warwick Academy to give recognition to both parents and pupils during Prize Giving for achieving a yearly average of over 75 percent.

For the seventh consecutive year, a group of third year pupils, accompanied by their teachers, took a most successful educational trip to Washington, D.C. and the surrounding area. We can justly be proud of our youngsters who were excellent ambassadors for Bermuda.

7. At the annual Audubon Natural History Course held at Nonsuch Island, Kerri Knap and William White were the top two pupils. Kim Simmons, Kathy Young, Sarah Northcott, Fiona Couper and Simon Watkinson were other Warwick Academy pupils who performed well.

8. Suzanne MacKay, last year's Deputy Head Prefect, was selected by the Sandys Rotary Club to represent Bermuda in the Rotary Exchange Programme. Suzanne is now studying in Indonesia.

9. Recognition is given weekly to those students who have earned merits for good citizenship, exemplary behaviour, academic excellence, and outstanding achievement in extra-curricular activities. It gives me pleasure at this time to give recognition to the two students who received the most merits for the 1980-81 school year. I have observed strength of character, friendliness, and loyalty in both of these students, and their enthusiasm and school spirit are most commendable. The two students are Felicity Riding and Juliana Horseman.

Our school continues to perform exceptionally well in interschool sports. We won eleven titles, were runners-up in eight and placed third in five others. The girls won championships in badminton and field hockey. The boys were declared champions in badminton, rugby, and soccer, and co-educational championships were won in badminton and swimming. Incidentally in co-educational championships, Warwick has never been defeated in badminton or swimming.

It should be emphasized that the girls won the badminton title for the seventh consecutive year, while the boys captured the title for the first time. The girls were also successful in winning four individual championships in field hockey.

In addition to winning the Roger B. Chaffee Basketball Tournament, Janice Hankey was voted the Most Valuable Player, Best Offensive Player and was selected, along with Lesley Cherry, for the All-Star Team.

These are some of the highlights and accomplishments of last year. I think you might be interested to know what has happened to the eighty-two senior students who helped to make the year such a successful one.

Sixty-five or seventy-nine percent have gone to further education, ten have decided to join the work force, and we have no information on seven pupils. Of the sixty-five going on to further education, thirty-one are attending the Bermuda College.

Warwick Academy graduates have earned five of the eight Bermuda Government Scholarships which were awarded last year. Recipients of these prestigious awards were Michael DeSilva, Zoe Dyson, Hilary Evans, Steven Hankey and Deborah Monkman.

In addition, Steven Hankey topped thirty-five other applicants to receive the Sir Harry D. Butterfield Scholarship valued at \$7,500 annually for four years. One of the two Bank of Butterfield Further Education Awards, valued at \$3,500 annually for three years, was won by a former pupil, Peter Sousa.

Before closing I wish to express my appreciation to the following:

Firstly, I wish to thank the parents who have become actively involved in the school by attending major school functions such as parent/teacher conferences and by also becoming involved in the W.A.A., the Heritage Fair and the Clothing Mart.

Secondly, I wish to publicly show my gratitude and appreciation for the competent and efficient manner in which our office staff organise the office in order to carry out routine duties of administration. I have never worked with a more efficient and professional office staff and their contribution to your children's education deserves recognition. Thank you, Betsy Hughes, Heather Cook and Sharon Sousa.

Thirdly, a special thank you to the teachers of Warwick Academy for your loyalty, your support of the administration and for your dedication and contribution to the students.

And last, but certainly not least, I wish to express my appreciation to the members of the Board of Governors for their support and their attention to the business of Warwick Academy.

Thankyou!

**HEADMASTER  
DR. JOSEPH M. MARSHALL, BSC., MEH.,  
PH.D.**

*When one of my sons graduated from High School, his headmaster, Mr. Robert A. Ward, wrote the beautiful sentiments listed below for the graduating class, and because I cannot improve on them, I share them with you:*

*"I wish you the courage to be warm when the world would prefer you to be cool.*

*I wish you success sufficient to your needs; I wish you failure to temper that success.*

*I wish you joy in all your days; I wish you sadness so that you may measure joy.*

*I wish you gladness to overbalance grief.*

*I wish you humor and a twinkle in the eye.*

*I wish you glory and the strength to bear its burdens.*

*I wish you sunshine on your path and storms to season your journey.*

*I wish you peace -- in the world in which you live and in the smallest corner of the heart where truth is kept.*

*I wish you faith—to help define your living and your life.*

*More I cannot wish you—except, perhaps love—to make all the rest worthwhile".*

*Whatever the future holds in store for you, may you always have fond memories of Warwick Academy.*

*Joseph M. Marshall.*

**Deputy Headmaster  
Mr. Gabriel Rodriguez**

*Fifth Form, 1982- I extend best wishes to you as you leave to continue your formal or work orientated education.*

*I hope that you take from Warwick Academy a determination to continue the good habits you have developed; of perseverance in work and play, of open and critical enquiry, tolerance and understanding of others.*

*I wish you well. G. Rodriguez.*

# PREFECTS

During the past year several memorable events have taken place. I think we would all agree that the most outstanding event has been the completion of the Swimming Pool. We have also appreciated the new roofing along the Assembly quadrangle which makes a journey to the Science Block a little drier in the wet weather.

This year also marks the tenth year of Dr. Marshall as headmaster of Warwick Academy. I wish him many successful years in the future.

The Yearhook staff have laboured long and hard to produce this issue and a special thanks must go Theresa Marshall who gave up every lunch hour for about 2 months to make the book possible. Special mention must also be made of Jessie Outeridge, our Business Manager and Lisa Desilva who have also given up their valuable time to make this 1982 issue a reality. Many thanks also to Karen Brangman and her Fund Raising Staff, the best we've ever had. Lastly a big thanks to the advertising staff who produce most of the funds for the Yearhook.

As usual Mr. Monroe was our guide throughout the year. Even though this is his 4th Yearhook he could still raise a smile and a word of encouragement when needed.

I wish all our customers the best for the future and my advice to all of you is Live, Work and be Happy for the world is yours.

## Warwick Pool.

After 4 years the Warwick Pool was finally officially opened on October, 28th, 1981. Chairman of the Swimming Pool Committee, Mr. Louis Bernardo performed the ceremony in glorious sunshine. Also on hand were Dr. Walwyn Hughes and Mr. Michael Cherry. When not in use by Warwick pupils the pool can be hired out to clubs and other schools. This is a first- class facility enjoyed by no other school in Bermuda. We look forward to many years of enjoyment and competition.

# WARWICK ACADEMY DRAMA SOCIETY PRESENTS THESEUS AND THE MINOTAUR

*This year's production was "Theseus and the Minotaur" or "Knockout at Knossos", by Peter and Heather Kay. It was shown on the 25th, 26th, and 27th of March to appreciative audiences.*

*The play is an updated version of an old Greek myth. The Minotaur is a monster—half bull, half man—who is kept by King Minos in the labyrinthine Palace of Knossos in Crete. He lives on human flesh. The play shows how Theseus finally outwits and kills the Minotaur, and how he, eventually, becomes king of Athens.*

*There was a great deal of enthusiasm among the students. Eighty auditioned for the play, of whom over 50 took part. The singing and acting was of a high standard and everyone involved enjoyed themselves immensely. The cast included Troy Glasgow as Theseus, and Michelle Martin and Nelia Cordeiro as Ariadne, the girl who saved Theseus.*

*Special thanks go to Miss Barbara Tilney who directed the production, and to Mrs. Sue Simons who was the musical director. They both worked very hard to make this play a success.*

*Thanks also to Miss Coakley (Costumes), Mr. Rodriguez (Lighting), Mr. Kreller (Publicity), and Mrs. Cunningham (House Manager). Also to Miss Brown, who played the Minotaur (and lost).*

Our boys team performed extremely well this year. New coach Mr. Shaddonix commented that he was extremely pleased with the attitude and sportsmanship of all the players. Our Seniors reached the final of the Island Wide Tournament only to lose to Chaffee. This is the best team we have had at Warwick since our juniors won everything during the 78/79 season. Four of those juniors played for our Seniors this year-Gary Smith, Martin Shaffer, Troy Glasgow and Marico Thomas. To all our basketball players and Mr. Shaddonix-Well Done!!!

# WARWICK ACADEMY SWIMMING TEAM THE 'BEA'

Swim Team

*On October 6th, 1981 the National Secondary Schools Championships were held at Warwick Academy Pool for the first time.*

*The contest was exciting and included some outstanding individual performances. The girls finished first, upsetting B.H.S. 156 to 142 points, so reversing the placings for the last 2 years. Coach Orstein credits the win to key placements of swimmers in certain events. The boys came in second to Saltus for the third consecutive year. Their coach feels that an upset may occur next year when the boys will be at the top of their age group. Outstanding performances were turned in by Karen Mawer, Karin Robinson, Kim Marshall, Julie Stanton, Jo-Dina Pearman, Nicholas Rowse, Marke Burke, Roger Betschart, Marc Betschart and Simon Watkinson. Coach Orstein feels that Miss Shelly Grace, Asst. Coach, deserves a great deal of credit for the success of the team. Coach Orstein has had a memorable three years with the swimming programme at Warwick Academy and will remember it with satisfaction and pride.*

## The 'FIRST' watch

If ever a watch was made famous as the much-treasured first watch - it was Oris. And for such very good reasons too. For the Swiss craftsmen at Oris have always insisted on such uncompromising quality of design and materials. And the result? A practical, durable watch of such honesty and reliability that one's first Oris is invariably remembered with affection.

*This is a special year for the clothing mart. 1982 marks the 25th anniversary of this organisation. Originally started by Mrs. Fenton Trimmingham; Mrs. Wilbur Kempe and Lady Sharpe, the clothing mart has grown from a children's clothing sale into a full scale operation selling most everything.*

*There are two clothing marts each year, in the fall and the spring. Volunteer helpers under the guidance of Mrs. Eileen Outerbridge spend almost 2 full weeks sorting and pricing the goods to be sold. These range from children's toys and furniture to records and kitchen appliances. The profits from the clothing mart go towards projects and goods for the school. This can be drapes, tapes or donations to the swimming pool fund. In the recent past the clothing mart has provided funds for ceiling fans in the Assembly Hall, books for the library and the swimming pool.*

*This is an arduous task for these ladies and we the students of Warwick Academy would like to take this opportunity to thank everyone who has helped to make the mart a success. A very special thank you should go to Mrs. Outerbridge and her committee-Mrs. M. Terceira, Mrs. L. Betschart, Marjorie Stanton and Mrs. W. Schneider.*

# PRIZE DAY 1981/82

*Young people should not have permission to ride motor cycles unless they qualify through service to the community. This was a comment made by Senator Arnott Jackson at our annual prize giving. In his speech the Senator gave other advice to our students. He told us that in order to gain wisdom we should search for it. He said that there were 4 keys to success- wisdom, purpose, discipline and love. Only through a combination of all 4 can we reach our goals. At the end of his speech he invited all our students to join him in a revolution supporting peace and harmony throughout Bermuda. Prize Night took place on November 24th, 1981 in the midst of a general teachers strike in Bermuda. Fortunately our prize giving went ahead as planned. The orchestra performed exceptionally well under the direction of Mr. Walden and the choir was superb. Thankyou Mr. Jones. The headmasters report can be read on page 2.*

On Thursday, 4th, February, 1982, Warwick Academy welcomed His Excellency the Governor of Bermuda and his wife to our school. Sir Richard and Lady Posnett arrived at 10.00 a.m. and were welcomed by Dr. Marshall accompanied by Head Prefects, Jane Judson and Mark Pettingill. Accompanying the Governor was Mr. Mervyn White from the Department of Education. The Governor and his wife spent about 2 hours looking round the school and chatting with various teachers. Needless to say our students behaved in the manner expected and they enjoyed the visit as much as the official party. The Governor tested his muscles in the weight

room while Lady Posnett seemed very interested in examining an amoeba under the electron microscope. Both the Governor and his wife showed a sincere interest in our students, especially their plans for the future. After a look at our new swimming pool and the science block the official party made their way back to their car. They appeared to have enjoyed their visit enormously, especially having coffee and tea with Mrs. Gray in Home Economics. Finally, we the students would like to say how much we enjoyed having the Governor and his wife, and want to wish them success after for the rest of their stay in Bermuda.

## WARWICK ACADEMY WELCOMES HIS EXCELLENCY THE GOVERNOR OF BERMUDA, SIR RICHARD POSNETT KBE, CMG. AND LADY POSNETT.

# PREFECTS REVIEW

### 5th Year Review

The review opened with a song by Chamaigne Brimner and Earlston Dill, which was composed by Robert Edwards. Following this Jackie Cunningham recited the poem "23rd Pounds". She was chosen for this because of her love for food and she fitted the part perfectly. Thirdly, came the bathroom scene which had everyone in stitches, mainly because of the toilets flushing and the spraying of Wizard air freshener. Mark Pettengill, being his usual funny self then enlightened us with an orange juice commercial. Then came the highlight of the whole show, the Beauty Contest. There were nine contestants in all, and all of them were boys. The girls doing the makeup and costumes did a good job, especially on Earlston Dill who was the eventual winner. Needless to say Michael Morris gave us a good laugh with his well chosen questions and his fall from the stage.

Earlston then went on to do his zit remover commercial and Lisa Rawlins did a good job in portraying a primary school teacher named "Sister Mary Elephant", which most thought very appropriate. This was followed by, Lesley Hoskins and Earlston doing their mustard commercial in which Lesley ended up with mustard in her face. Wayne Edwards then put on an excellent performance as the Minister in the church scene. Songs by the choir and testimonies given by Robert Edwards and Troy Glasgow added to the drama of this scene.

From the church atmosphere everyone went to the disco where the two hot shots, Lisa Rawlins and Lisa DeSilva showed the audience their dancing talents. The steps were made up and put together by both of them and they included, in the limelight of it all, Michael Morris who in all his splendor tried to show them up. Nelia Cordero then sang the song "I Honestly Love You", during which Mr. Hurdle thought she was singing to him, but it was really turned out to be Michael Morris.

The review ended with all the participants gathering on the stage dancing to the song from Grease, "We Go Together".

All in all it was a marvellous show which I'm sure everyone enjoyed.
